MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM : John F. Blake
Deputy Director for Administration
Hank:

1. You asked that I ensure that there is no conflict and/or overlap by the work being done by [redacted] in the Center for the Study of Intelligence on the issue of reaction to estimates as opposed to the normal responsibilities of an NIO. STATINTL

2. I have chatted with Dean who, in turn, has discussed the matter with [redacted]. They are both in agreement that there is no conflict in these two different kinds of approach. Additionally, Dean is making available to Dick, for what value they may be, all the "working notes" that his people are developing while they pursue the issue. STATINTL
